

CARBIS BAY

WEDDINGS

Join together in one of the most
beautiful bays in the world...

WWW.CARBISBAYHOTEL.CO.UK

What's better than getting married? Getting married on the beach!

At Carbis Bay Estate, walk sandy-toed down the aisle, before exchanging seaside vows with your partner-to-be.

Set against the backdrop of our privately-owned Blue Flag beach, as exotic and exhilarating as any British shoreline, Carbis Bay fits the bill.

Many areas of the estate are licensed for ceremonies, including the wedding hut on the buttery sand, an outdoor spa garden pavilion, the chic Godrevy Room inside the main house, the new Beach Promenade venue, a 25-acre Blue Flag Beach, and the cosy coastal Inn the Gannet. From classic to quirky, small and intimate to grand and glam, weddings are expertly tailored to every couple's precise wishes.

In addition, cocktail parties and beach side barbecues can be thrown overlooking the turquoise waters. Also right on the beach are the hotel's coastal Beach Lodges and Beach Suites, with the all Lodges boasting hot tubs. Those make for a comfortable and indulgent first night of wedlock, while larger apartments suit bridal parties, groomsmen or families.

As wedding days are remembered forever, they should be perfect. When you choose Carbis Bay Estate for your special day, rest assured the magical experience will stay with you forever!

Congratulations and we look forward to showing you all we have to offer.

Mr and Mrs McKenna

September 2025

On 5th September 2025 we were lucky enough to have our wedding at Carbis Bay Hotel on the beautiful beach in the sunshine, and we can honestly say it was everything we hoped for. Throughout the entire process, Ria, Abi, Sofia and Phoebe from the events team made us feel completely at ease and supported, every detail was handled with professionalism and genuine care. A special thank you goes to them for working tirelessly behind the scenes to ensure everything ran smoothly, with great attention to detail and a calm and friendly manner always. They made us and our little girl feel so special and we are forever grateful to everyone at Carbis Bay who was a part of our time there. The setting is breathtaking, Carbis Bay is and always will be our special place and one of the most beautiful UK locations, with the views of the beach and sea giving us the most magical backdrop to our ceremony and photographs which also enabled us to have some quiet time to enjoy together throughout the day. Our guests had nothing but praise for the venue, the food, and the atmosphere. The wedding breakfast was also delicious with everyone getting their choices without issue. We couldn't have asked for a better day. Carbis Bay Hotel gave us memories we'll treasure forever and we wouldn't hesitate to recommend it to anyone looking for a truly special wedding venue.

Outstanding venue, unbelievable team!

The venue is unreal, everyone can see that but what made our 3 day wedding weekend at Carbis bay hotel beyond perfection was the team! They truly worked to give us all we dreamed of. They were exceptional at finding a way to say yes! We had a welcome BBQ Friday, wedding sat, and brunch Sunday - The food was fantastic all weekend, all our guests commented on it. I was really picky about the menu and the team were so accommodating and made me feel like it was no bother! The entire weekend ran so smoothly and the wedding team were so kind! Even when we came up with a crazy plan to all jump into the sea at midnight, they worked to get 50 towels for us! It really was all the little things they did that made the weekend everything we dreamed of and more. It was worth every penny and they gave us memories that make our hearts so full! While they do a lot of weddings, they truly make you feel like yours is the only one!

April 2025

We cannot thank the event team at Carbis Bay enough for making our wedding day unforgettable! The venue and

setup was stunning and even the morning rain couldn't put a dampener on our day! Everything from start to finish was handled professionally and every member of the team was so friendly and welcoming. The beach, the food, the vibes, everything was just perfection! Our guests also haven't stopped talking about the views, the food and the atmosphere of the day. The whole team at Carbis Bay truly made our wedding day better than we could have ever imagined! Wish we could do it all over again! Thank-you so much. We cannot wait to be back!

Our perfect wedding!

Our wedding at Carbis Bay Beach Club was nothing short of exceptional from beginning to end. The stunning location, with its breathtaking views of the beach and bay, set the perfect backdrop for our celebration. The events team's attention to detail was remarkable, ensuring everything was perfect and dream-like. The food was outstanding, and the entertainment organized by your team—including the "Singing Waiters" and the "Take a Chance on Us" Abba tribute band—made for an unforgettable party and celebration of our special day. A heartfelt thank you to Ria, Abi, Sofia, Phoebe and the entire team at Carbis Bay Hotel. You created the perfect wedding day for us, and we will cherish these memories for a lifetime!

Mr & Mrs Fadden

June 2024

Our wedding at this venue was a dream come true, thanks to Ria, Sofia, Abi, Andy, and the entire events and service teams. From our first meeting to the big day, every detail was meticulously planned, and their calm, friendly approach took away so much of our stress. They went above and beyond to accommodate our vision, including custom touches like a bespoke oyster bar and Cornish-themed elements that made the day feel truly local and personal. The team's expertise and dedication ensured everything ran like clockwork, from the flawless service to even, somehow, ensuring the perfect weather! There was never a glass left empty, a belly left hungry, not a moment without music or even a glitch in the timings throughout the whole day. We couldn't have asked for a more perfect day, and we wholeheartedly recommend this venue to anyone looking for a truly unforgettable experience.
