CARBIS BAY  
ESTATE

What's better than getting married? Getting married on the beach!

At Carbis Bay Estate, walk sandy-toed down the aisle, before exchanging seaside vows with your partner-to-be.

Set against the backdrop of our privately-owned Blue Flag beach, as exotic and exhilarating as any British shoreline, Carbis Bay fits the bill.

Many areas of the estate are licensed for ceremonies, including the wedding hut on the buttery sand, an outdoor spa garden pavilion, beautiful function suites inside the main house, a 25-acre Blue Flag Beach, and the cosy coastal Inn the Gannet. From classic to quirky, small and intimate to grand and glam, weddings are expertly tailored to every couple's precise wishes.

In addition, cocktail parties and beach side barbecues can be thrown overlooking the turquoise waters. Also right on the beach are the hotel's coastal-chic Beach Lodges and Beach Suites, some of them boasting hot tubs and sauna pods. Those make for a comfortable and indulgent first night of wedlock, while larger apartments suit bridal parties, groomsmen or travelling families.

As wedding days are remembered forever, they should be perfect. When you choose Carbis Bay Estate for your special day, rest assured the magical experience will stay with you forever!

Congratulations and we look forward to showing you all we have to offer.

*September 2022*

We got married at Carbis Bay on the 17/09/22. It was the best weekend of our lives. Where do I begin...

From the welcome reception we got from the hotel, it couldn't have been any better. Me and my family were upgraded to one of the beautiful beach front lodges for the weekend. Thank you to the front of house for assisting. In particular I'd like to thank the three concierges Paul, Chris and Tyler for looking after us.

### Our Wedding Day...

We got married in the wedding beach hut. It was better than we could have ever imagined. From the beautiful backdrop of Carbis Bay to the gorgeous weather that we were lucky to have, it truly was amazing. Thank you to the events team, who not only looked after us on the day but on the lead up to the wedding. Ria, Jess, Sofia, Katie, Kelsey & especially Maxine went above and beyond to make sure our day went as perfect as it did.

We would highly recommend visiting the Carbis Bay Estate if you are planning to get married or for a break. Who would of thought this beautiful place was in the UK?!  
Thank you Carbis Bay Estate.

## Mr & Mrs Tunnickliff

*September 2021*

Had our wedding at Carbis and it was just the best. Also stayed 3 nights and enjoyed the facilities. Couldn't recommend a perfect wedding venue and romantic weekend break. The staff are fantastic; very helpful and friendly. Credits go to Ria and Nicole who made our day so special. We will certainly be returning as much as we can. Thank you Carbis!

## Mr Carroll

*September 2021*

Amazing setting for our son's wedding! Arrived for the first time in Carbis Bay this week and was taken aback by the beauty that this bay had in abundance. Hotel was incredible, see view room gave us magnificent views across the bay and beach. Hotels staff were amazing, very helpful and polite. Wedding venue was absolutely amazing and events team had the whole day running like a dream. Can't thanks the hotel staff enough for helping make my sons dream day go off without a hitch. Thanks, Carbis Bay Hotel, hopefully see you soon.

## Mr & Mrs Bond

*August 2021*

We married at Carbis Bay yesterday. The staff were exceptional; working hard all day, and looking genuinely interested and feeling a part of the celebration. The food was all superb, and the pianist and DJ they hired as part of the package were both terrific. Our needs and the needs of our guests were taken care of immediately in all cases, and they made a potentially stressful day run smoothly, leaving us with wonderful memories of a day that could not have gone any better. In addition, they gave us the use of a beautiful beach suite and made us feel very special.

## James & Kylie Wilson

*October 2022*

My husband and I planned an elopement for 3rd oct 2022, Carbis bay was recommended to us so we had a look online and decided this was the place for our big day. We've had a bit of a journey trying to get married as due to the pandemic we'd had 5 previous weddings that were sadly postponed, as you can image this was really upsetting and took the fun out of wedding planning for us. So we decided an elopement just the 2 of us would be best as we didn't want to be disappointed again. Well there are literally no words I can write that will do Carbis bay and their amazing staff and events Team the justice they deserve! From the minute we drove up to the estate the views were impressive! We checked in at reception to be told that as a treat from the staff they were upgrading us for our special day, I was overcome with emotion! The accommodation we stayed in was another level, I've never stayed in such a beautiful place before, it just started our trip off on a high. On the wedding day we had staff assigned to us to help make our day run smoothly, they were the loveliest ladies and it was a pleasure to share our day with them. The ceremony, pictures, dinner everything they did was incredible and beyond my expectations, I'm thrilled with how our day turned out as we both had the best time and it was so perfect, more perfect then I'd ever imagined truly because of how the staff went above and beyond to make or special. Every single staff member we met was so genuinely lovely, they couldn't do enough for us and the whole stay was seamless. The events team I liaised with for the planning were incredible from start to finish, they took my vision and made it way more special then I thought it thought it could be. Not to mention the value for money as the location is one of the best I have ever been too! So beautiful. We look forward to coming back there and from the bottom of our hearts we want to thank the whole team for their hard work and effort as they will never know how much that day meant to us and how much we appreciate the lengths they went to in order to make it a day to remember for us. Highly recommend, my new favourite place xxx

## Greg & Rebecca Dimmock

*April 2023*

My wife and I recently had the privilege of getting married at The Carbis Bay Hotel and Estate in their brilliant Godrevy Room. Every member of staff we met was tremendously helpful, kind and accommodating of our special occasion.

The events team were all terrific. The waiters were brilliant and the food was to die for - especially the lemon meringue! But special mention should go to Sofia and Abbey who were our guardian angels on the big day: thanks to their sheer brilliance the day ran without a hitch and we were able to fulfill our dream of getting married in the most sublime location.

The room we were given was beautiful and featured gorgeous views of the bay. And to top it all off the included entry to the spa - simply the most terrific spa I have ever been to - it was the perfect way to start our married life.

Five stars is not enough!
