“In the Esclans Valley angels whisper”

From the vineyards of Provence to the golden shores of Carbis Bay, we're thrilled to join forces with Whispering Angel for a seasonal celebration at The Beach Club restaurant. Here, refreshing rosé and exceptional cuisine take the spotlight.

Drawing inspiration from the enchanting elegance of Château d'Esclans and the gentle allure of the South of France, our menu is light, vibrant, and indulgent—perfectly paired with crisp, chilled rosé and dishes that echo the warmth of the sun. A stylish way to relax and savour the spirit of the season on the stunning St Ives Bay.
